***Additional Hotel info. On Page 2**

From: Lorrie Davidson, Chairman, New Mexico side of New Mexico/Colorado Exchange

Hotel detailed information:

Holiday Inn Express & Suites-Los Alamos; 60 Entrada Drive; Los Alamos, NM 87544; Tel: 505/661-2646

We have reserved 30 rooms, 20 with King beds and 10 with Queen, at a rate of \$85 (+Tx) per night. These will be held until 20 April and then released. Members, except for the four WGMs & WGPs, will need to make their own reservations before that date. There is also a Comfort Inn on Trinity Drive in town, if folks would like to have alternate housing. (We have reserved no rooms at that facility and the price may not be the same.)

This is our newest motel and is situated in a industrial park (still under construction) just as you come into town. In fact, it is so new as to not be on any online maps. Therefore, I will do my best to describe the route:

As you come into town on NM Rte 502, you pass a stone "welcome" sign, followed by a small RV park and a large building containing the De Colores restaurant - all on the right. At the next street, turn right, followed by an immediate left turn. The motel is just ahead."

Star Love,

Lorrie
